VESTIBILITÀ *Fitting*

Alé identifica tre tipologie di vestibilità per soddisfare le esigenze di tutti i ciclisti.

Alé has developed three different types of fitting to meet the needs of each cyclist.

RACING

Per i veri appassionati di ciclismo che ricercano il top di gamma. Per coloro che oltre all'allenamento praticano anche gare e granfondo. Una vestibilità super tecnica e aderente con materiali innovativi.

For the real cycling enthusiasts who are in search of the top of the range. For those who ride races and granfondo besides training. A super technical and tight fitting with highly innovative materials.

PERFORMANCE

Per coloro che corrono in bicicletta durante tutto l'anno, affrontando il caldo e il freddo. La vestibilità ergonomica e i tessuti tecnici migliorano la performance e la resistenza senza dimenticare un comfort duraturo.

Dedicated to those who ride all year long, facing heat and cold. The ergonomic fitting and the technical fabrics improve the performance and the resistance, without forgetting a lasting comfort.

SUPER COMFORT

Per i cicloamatori e coloro che amano la bici per mantenersi in forma. La vestibilità semplice e confortevole e la resistenza dei capi assicurano totale benessere a chi vede nella bicicletta la passione di una vita.

For amateurs and those who love bike to keep fit. A basic and comfortable fitting and the resistance of the fabrics guarantee a complete wellness for who lives cycling as a great passion.

*MISURE

Le misure indicate in queste tabelle hanno il solo scopo di fornire una linea guida. Ogni modello è studiato per vestire diversamente e per sfruttare le caratteristiche intrinseche dei materiali con cui è stato realizzato. La tua taglia potrebbe variare anche in base alle tue preferenze personali.

*SIZE

Each model was designed to fit differently to take advantage of the inherent characteristics of the materials used. Your size may also vary according to your personal preferences. Sizes indicated in this chart have to be considered only as guidelines.
